Taking Flight (Song)

lyrics

song

Chapter 1 by Story Wars

My Second Song, the first One I actually wrote. it's set in a post-war setting and I wrote it out of my hatred to the world. Same rules apply, enjoy?

Taking Flight

(spoken intro)

Heroes fall, Heroes rise,
heroes live, heroes die.

(opening instrumental)

(verse 1)

No-one knew, what was to come
but the fear, of oblivion
was in their eyes, with nothing else,
PEOPLE THOUGHT THEY WERE SOMEONE ELSE

eye to eye, hand to hand

No-one dared, to take a stand

They let the villains take

OF ALL WE KNEW THAT

(bridge)

Perfect lies,
darkened skies.
ended lives,
bloody knives, x2

(Chorus)

We take control, embrace the fall
Making the corrupted right
Chasing after dying light
Change the timeline, change the course
Take them on with damning force
Through fire we're taking flight
Through fire we're taking flight

(Verse 2)

The leaders, are flying,
The bystanders, dyin'
For no, reason at all.
The cities, were burning,
the people, were yearning,
For the climbers, to fall.

(chorus) x2
